

Script : AIIB opens for business: Pakistan and China push forward CPEC projects

0:00

as one of the founding members of the

0:01

aiib what do you expect to gain from

0:04

participating

0:05

well I believe a that China and Pakistan

0:10

the great friends and we sincerely

0:14

believe that China took a great

0:15

initiative for bike creating this bank

0:20

according to the report we need about

0:24

seventy percent of the board

0:25

infrastructure supply run supply in

0:29

order to catch up the infrastructure gap

0:31

what this region has reserved is the

0:33

rest of the world

0:34

china has you know set up something

0:37

which is going to be a great value

0:40

addition vis-a-vis infrastructure

0:42

development of this entire region if you

0:44

recall the the first round when mou was

0:48

signed they were only all 22 members but

0:51

when the articles of agreement was

0:53

signed few months later after

0:55

considerably process and it in a large

0:57

volume of work behind it

0:59
57 members of find articles agreement so
1:02
this is a great success in the great
1:05
beginning the president designated of
1:07
aib visited pakistani october last year
1:10
and he showed great interesting
1:12
financing a number of infrastructure
1:14
project any particular project for which
1:17
pakistan and I need of founding first of
1:20
all of you know we were happy and
1:22
grateful earth at the the president of
1:25
the Bank president Jim you know chose
1:29
Pakistan is the first countries to visit
1:31
President Xi of China and Primus
1:34
animosity have already entered into an
1:37
arrangement which is called the seatback
1:39
China bugs and common corridor projects
1:42
include energy projects Hydra projects
1:45
metro projects the development of water
1:49
sea port projects there's a huge
1:51
potential for this is not only for China
1:54
and Pakistan in terms of economic
1:57
development betterment of people of this
1:59
this region and the two countries more
2:02
job opportunities higher the gdp growth
2:04
but also it will add benefit to the all

2:08

neighboring countries
