

HOW TO SAVE A LIFE – THE FRAY – 122 BPM

Step one, you say we need to talk
He walks, you say, "Sit down, it's just a talk"
He smiles politely back at you
You stare politely right on through
Some sort of window to your right
As he goes left and you stay right
Between the lines of fear and blame
You begin to wonder why you came

CHORUS

*Where did I go wrong? I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all night
Had I known how to save a life*

Let him know that you know best
'Cause after all, you do know best
Try to slip past his defense
Without granting innocence
Lay down a list of what is wrong
The things you've told him all along
And pray to God He hears you
And I pray to God He hears you, and

CHORUS

As he begins to raise his voice
You lower yours and grant him one last choice
Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He will admit to everything
Or he'll say he's just not the same
And you'll begin to wonder why you came

CHORUS x 2

How to save a life
How to save a life

CHORUS x 2

How to save a life , how to save a life
